

# Saint Christopher School

April 20, 2022

Dear Parents,

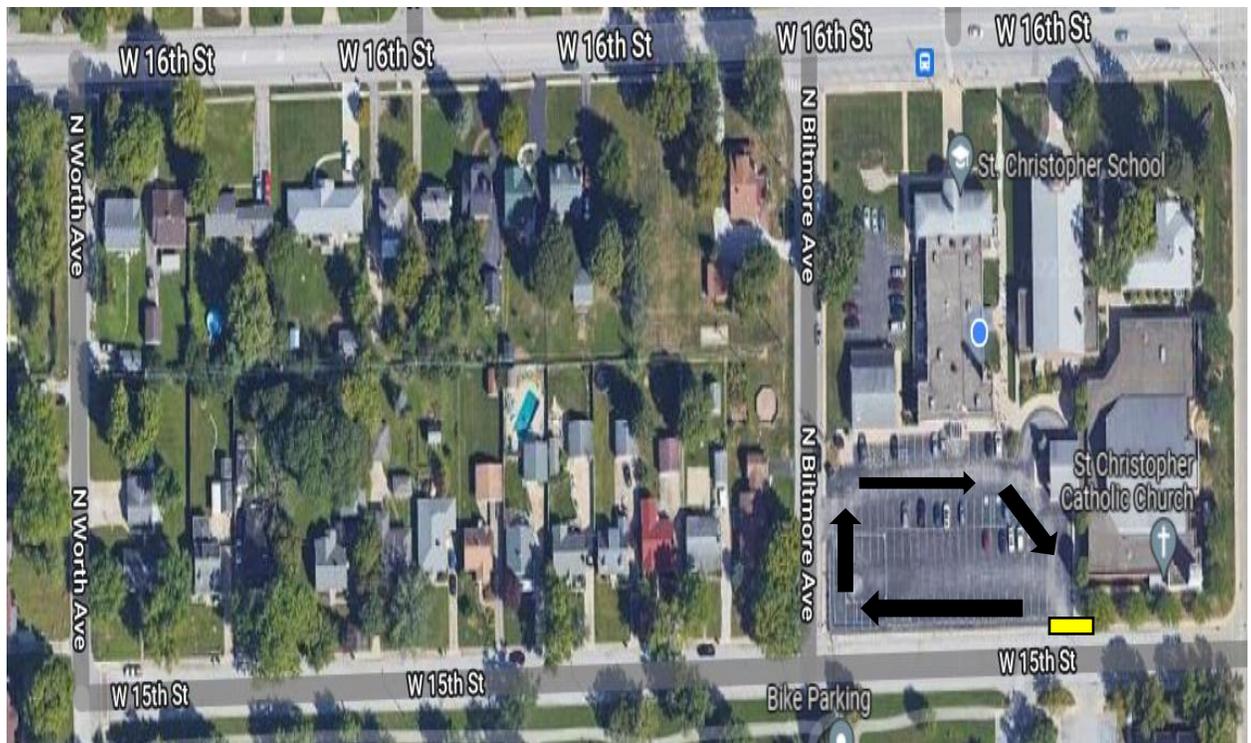

Due to construction, our morning drop off and afternoon dismissal patterns will change for the end of the year. As of now, it is anticipated that this will happen on Monday, May 9 and will remain in place for the final 17 days of the school year.

Please see the map for street names. Biltmore Ave will be CLOSED!

Cars must drive from 16<sup>th</sup> Street to Worth Ave to 15<sup>th</sup> Street to enter the parking lot (marked by the yellow rectangle.)

Once inside the parking lot, cars will drive in the OPPOSITE direction from what you currently do. (See the black arrows.)

Upon leaving the parking lot (yellow rectangle) cars may ONLY turn right to return to 15<sup>th</sup> Street, drive back to Worth Ave. to 16<sup>th</sup> Street where you may turn either right or left.

This plan was created in collaboration with The Speedway Police Department in order to cause the least amount of disruption to general traffic in the neighborhood. We will likely have police officers monitoring during this change! We will have faculty, staff and

# Saint Christopher School

volunteers directing traffic in our parking lot. Pay attention to the adults who are helping, and.... stay off of your phone. Student safety is priority.

This same path will be used for both morning drop off and afternoon pick up.

God bless you and keep you safe,

*Haren A. King*

Ms. King, Principal
